

## ***Mission, Vision and Values Statement***

### **Our Mission**

To enhance the mental health and overall quality of life of every individual in our community

### **Our Vision**

We *believe* that all people have the potential and right to achieve independence, a valued role in life and connection with their community.

We *provide* leadership and deliver excellence in the provision of community mental health and well being services.

We *demonstrate* our excellence in the provision of mental health and well being services by our leadership in research, continuous improvement and service development.

We *value* the participation and contribution of our partners, who include participants, carers, staff, key stake holders and the broader community, in the achievement of our objectives.

We *respond* to the needs of our community as they emerge and are proactive in identifying and implementing mental health and well being initiatives.

We *work* with our partners in ways that reflect our core values of:

Professionalism

Dignity

Integrity

Respect

Authenticity

### **Our Values**

***Professionalism*** means we:

- recognise our accountability in all we do
- constantly strive to achieve the goals of the organisation in an ethical and respectful manner
- constantly pursue best practice

***Dignity*** means all people have a right to self determination and recognition of their intrinsic self worth.

***Integrity*** means we operate with moral soundness, which is reflected in the trusted relationships we create.

***Respect*** means that the beliefs and values of the individual are recognised and upheld.

***Authenticity*** means we are honest in our interactions with our partners at all times.
