

**Individual Outreach Worker
Rehabilitation and Recovery team - Warrnambool
20 hours per week**

Aspire, A Pathway to Mental Health Inc is offering 2 Individual Outreach Worker positions of up to 20 hours per week across 5 days within its Warrnambool Rehabilitation and Recovery team.

Aspire is a community based organisation that provides rehabilitation and recovery services for people affected by mental illness in South West Victoria and Tasmania. It also provides carer support, and a range of health promotion activities and programs.

For further information refer to our website, www.aspire.org.au

The Individual Outreach Worker position has been created to provide intensive support to an individual service user with multiple and complex needs. The individual has a care coordination team made up of service providers in Warrnambool and will be required to liaise closely with them also.

This position will be responsible for daily support and activity relating to a care coordination plan and will be carried out in conjunction with another worker.

A detailed Position Description or further information is available from the office of Western District Employment Access (WDEA)
86 Lava Street Warrnambool, Vic 3280 Ph: (03) 5561 2579

Closing date for applications is Wednesday the 1st of February 2012.

(Standard advertising dates: 21st & 28th January)
